Updates from the Self-Advocates

Hampshire Learning
Disability Partnership

We are going to give updates on 4 working groups

- **Adult Social Care – the Right Support**
- **Communications**
- **Health and Wellbeing**
- **Being Safe, Staying Safe**

Adult Social Care Working Group

- We talked about the cost of living
- We also spoke about how it affects us and people we know, such as less transport and less groups to go to
- We talked about how to find out about activities locally
- We looked at different one page profiles and talked about what we liked best
- Paul spoke to us about what Least Restrictive Practice is and invited us to present at the provider forum
- We heard about the Oliver McGowan training

Adult Social Care Working Group

- Safe lives spoke to us about their work
- They asked if we would like to join the group
- We helped with co-production week.
- We gave ideas as well as made a video
- We fed back on Easy read for
 - Meals on Wheels
 - and the Hampshire Safeguarding Adults Board
- We spoke with Jo Service Experience Manager at HCC about our experiences of co-production
- Portsmouth University have some opportunities for us to talk with students about social care to learn from us

Hampshire Learning
Disability Partnership

Communications Working Group

- We made leaflets to recruit more self-advocates and parent carers

- We talked about using Connect to Support and PA finder. We gave our views

- Some of us are helping with Oliver McGowan training

- In co-production week we did a video about our ideas and opinions

Hampshire Learning
Disability Partnership

Communications Working Group

- We talked about voting and different ways to do it

- We gave feedback on the new CART phone options
CART means Contact, Assessment, and Resolution Centre

- We are about to start work on our Christmas newsletter

Health and Wellbeing Working Group

- We heard about what makes an LD friendly GP practice and how it is monitored

- We talked to Andover Mind about mental health and support

- Katie and James made videos with Winchester University and the NHS for their Life Lens Project

Health and Wellbeing Working Group

James

- We want to use our experiences to help other people. Fahmina shared about her experience in London

- Arun is doing a presentation with Marta to present to GPs

- We talked about GP Easy Read Letters. Marta shared some examples that we commented on

- We spoke with health about helping with some new projects
- We can give our ideas and make videos. These might help others with things like annual health checks

Hampshire Learning
Disability Partnership

Being Safe Staying Safe

- We had a good presentation about online safety from Mark from Community Safety Hart

- Lee from HCC helped us with IT problems and questions

- We are working together with Mark. He will link us to North Hampshire Safer Partnership.

- We will help to develop the national Safe Places scheme in Hampshire

Being Safe Staying Safe

- We talked about the Mencap LD week. The theme was Do You See Me
- We gave our ideas for a video which was filmed at Café Dome in Basingstoke
- We talked about making videos for helping people know about health appointments
- They could cover what will happen, the process and more

Other updates

- We gave a presentation in Winchester to providers at the Least Restrictive Practice Forum

- For Co-production week we made a video shared with HCC colleagues

- We met in person in August

This is the end of our presentation

Thank you for listening
